

Tuftonboro Conservation Commission
February 18, 2008

7:30 PM

Commissioners present: Mike Phelps, Chairman, Dawn Evans, Barbara Garabedian, Win Wood

Minutes for January 21 were amended and approved; Evans moved, Garabedian second.

Jerry Light will be appointed to the TCC at the next meeting, since he was not able to be present tonight.

The Environmental Assessment proposal document by Steve Truchon has been reviewed and amended. Truchon will email the corrected copy to Phelps and Secretary Kinnaman.

Evans will call Steve Walker re: monitoring easements, to set a date to walk the Bentley-Parkhurst property. The Chandler and Cheney easements also should be walked. Evans volunteered to update the easement book, adding Cheney and Libby Park.

Easement to be granted to TCC as mitigation for wetlands disturbance. Phelps requested baseline and aquatic baseline studies.

Wood will order water testing kits to give out at the Town Meeting. It is estimated that there are 13-14 homes along 19 Mile Brook; those homeowners should be encouraged to test their wells.

Chehames has been working on an article for the Granite State News, updating the public on the WWTF upgrade situation, as well as encouraging well testing.

Evans told the TCC that the grant has come through for the used oil recycling. The project will begin after the budget is passed.

Evans delivered information on the Berry Conservation Camp to Tuftonboro Central School and Kingswood Middle School.

The TCC received a check for land transfer tax in the amount of \$5000.

A new flyer from the NH Lakes Association is available.

8:45 PM meeting adjourned; Wood moved, Evans second.

Vicki Kinnaman
