

Town of Tuftonboro

DRIVEWAY PERMIT

Name of Owner _____

Map-Block-Lot # : _____

Mailing Address _____

Phone # _____

Street Address (of project) _____

Date : _____

Owner/Applicant will not obstruct the natural flow of water runoff in any way and will provide ditches and/or culverts as deemed necessary by the Town Road Agent. If a culvert is to be used, both the size and type must be approved by the Road Agent before installation.

The finished driveway surface must slope away from the existing roadway surface elevation at a rate of not less than one inch per foot for a minimum distance of four feet or to existing centerline of ditch, whichever is the greater distance, before rising in elevation, making a swale for surface runoff.

In addition the Road Agent requires the following :
