**Selectmen's Meeting Final Minutes
4:30pm – Town Offices**

Monday, June 27, 2022

Present: Chairman Albee, Selectman Murray, Jack Parsons, Steve Scapicchio, Adam Thompson, Andy Shagoury, Chris Ruel, Chuck Farrell, Joe Kowalski, and Administrative Secretary Cami Wakefield.

CALL TO ORDER

Chairman Albee called the 1st Public Hearing to order at approximately 4:30pm and lead the Pledge of Allegiance. The purpose of this hearing is to accept the Building Permit Schedule of fees changes for the Town of Tuftonboro. The public hearing closed at approximately 4:35pm

Chairman Albee called the 2nd Public Hearing to order at approximately 4:35pm. The purpose of this hearing is to provide an opportunity for the public to comment on use of the Tuftonboro Conservation Fund to acquire Tax Map lot 52-1-27 for the purpose of conservation. The Public Hearing closed at approximately 4:40pm

PUBLIC INPUT

None

REVIEW & APPROVAL OF MINUTES

Selectman Murray made a motion to approve the 6.13.2022 BOS meeting draft minutes as written, Chairman Albee seconded, motion carried 2-0.

APPOINTMENTS

Chief Shagoury presented the attached monthly update. Chief Shagoury would like to increase the hourly rate paid for details from \$70 per hour without a cruiser to \$85per hour with or without a cruiser. Selectman Murray feels that there is a conflict of interest in doing details for Camp Belknap due to a litigation that could involve Chief Shagoury. Chairman Albee brought up that he received 2 phone calls from people in law enforcement who felt concerned regarding a DUI stop with Officer Gillis. Chairman Albee wants a little more tightness and control in operation, as there was an officer off duty that lives in Wolfeboro that could have been called. Chief Shagoury felt that the stop was under control as he was in route back from Concord and the vehicle was being towed upon his arrival on scene.

Chief Thompson presented the attached monthly update.

Chris Ruel presented the attached monthly update. Chairman Albee read an email that was received from a concerned resident who saw a sign posted on the bulletin board inside the transfer station. The resident felt this sign was inappropriate and should be removed. Chairman Albee said he was putting Chris Ruel on notice that if he finds that activity happening again, there will be one warning and hopefully people are brave enough to take responsibility for their actions. Chairman Albee noted that the Transfer Station is not owned by one political party its public property and its inappropriate behavior.

Dennis Guilmette presented the attached information from the Tuftonboro Free Library. Chairman Albee asked that he come in for quarterly visits to update Selectmen on what's happening at the library.

Chuck Farrell saw Jack Parsons and Jack told him that Chairman Albee needed to see him. Chairman Albee mentioned to Mr. Farrell that he saw the sign on his property and informed him that he needed to go through Planning Board for site plan review for the business. Mr. Farrell noted that they were a registered farm and with that comes certain leniencies and was concerned that was going to be deemed commercial somehow. Chairman Albee informed Mr. Farrell that if it were just a shop it would be non-conforming use in residential area and that the concern that was brought to him was the signage and it all needs to go through Planning Board. Chairman Albee noted calling it a Farm Stand is fine but that he needed to go through the process for permitted use.

SIGNATURE FILE

Chairman Albee made a motion to sign a Warrant for unlicensed dogs, Selectman Murray seconded, motion carried 2-0.

Selectman Murray made a motion to sign a Notice of Appointment Gary Qua, Chairman Albee seconded, motion carried 2-0.

Selectman Murray made a motion to sign a Notice of Appointment for Carol Bush, Chairman Albee seconded, motion carried 2-0.

Selectman Murray made a motion to sign a Notice of Appointment for George Maidhof, Chairman Albee seconded, motion carried 2-0.

Selectman Murray made a motion to sign a Notice of Appointment for Matt Young, Chairman Albee seconded, motion carried 2-0.

Selectman Murray made a motion to sign an Abatement Recommendation for Map 41-2-4-38, Chairman Albee seconded, motion carried 2-0.

Chairman Albee made a motion to sign a PA-28 Inventory of Taxable Property Form for 2023, Selectman Murray seconded, motion carried 2-0.

Chairman Albee made a motion to sign a Right of Burial, Selectman Murray seconded, motion carried 2-0.

Chairman Albee made a motion to sign a 2022 Supplemental Warrant for NHEC, Selectman Murray seconded, motion carried 2-0.

Selectman Murray made a motion to sign a Yield Tax Levy for Map 54-1-13, Chairman Albee seconded, motion carried 2-0.

Chairman Albee made a motion to sign Eviction Notice for Map 15-1-22, Selectman Murray seconded, motion carried 2-0.

Selectman Murray made a motion to sign a Request for Change in Employee Compensation, Chairman Albee seconded, motion carried 2-0.

Chairman Albee made a motion to sign the MS-535, Selectman Murray seconded, motion carried 2-0.

The annual bike safety day on 5/27/2022 at Tuftonboro Central School went well. All students made it through the day with only a couple of small issues.

All the summer camps in town have now had their life safety inspections for 2022. All the camps were in good shape this year, we are waiting for notification from the camps that any issues found during the inspections have been corrected.

Car 1 went to Ed's Auto for Brake Repairs and an engine belt replacement on 6/6/2022 total \$670.08.

Car 1 went to Ed's Auto on 6/14/2022 for a hydro booster replacement. When the brakes were replaced, it was found that the hydro booster was leaking. The unit was removed from service until the parts could be received and replaced total \$630.71.

Car 1 went to Belknap tire in Laconia for new tires on 6/21/2022 total \$ 669.92.

The town has been notified by the state that we will not be eligible for any grants such as the \$50,000 GOFFER Grant that the emergency management department applied for two sign trailers and the pd applied for radio equipment. The sign trailers would have been shared between the emergency management, fd, pd and the transfer station. We need to have a current Hazard Mitigation Plan in place and this has been in the works for 2 years due to covid it has been delayed. The Lakes Region Planning Commission is the company completing the plan for the town. The

selectmen's administrative secretary Cami Wakefield and myself have made several inquiries with the LRPC and have not had any reply from Susan Slack who was doing the plan.

On 6/4/2022 @ 9:50 pm dispatched to 20 Farm Pond Road for a reported fire alarm activation, a follow up 911 call reported the basement was full of smoke. A First alarm was started and cancelled once it was found the fire was in a plastic trash can and had not extended to the structure. Early notification from the homes monitored ADT system saved the home from significant damage. If you are working with any type of rags with chemicals, please make sure they are disposed of in a metal trash can with a lid or placed outside home in a proper container.

6/16/2022 @ 11:26 am dispatched for an electrical fire at 48 Canaan Road. The issue was corrected by NH coop and an Electrician. Fire units stood by until it could be confirmed that a fire danger no longer existed.

6/22/2022 11:58 am a dump truck with its dump body up took down a pole with all power wires, phone wires, and cable wires on to the truck. The pole that broke also contained an electric transformer which was damaged and spilled its fluid in the road way. The road was closed in the area of 80 Durgin Road. The fire department diverted traffic at the Tuftonboro 4 Corners and Chickville Road and Stilling's Road until 4 pm. Fire department remained on scene until the power lines were moved by Eversource and speedy dry could be placed on the leaking fluids from the transformer. Once the vehicle was removed from the wires and any fire danger and public hazard were mitigated.

The utility companies then took over the scene for road closure until a new pole could be placed, transformer and all utility wires put back up from the roadway and the transformer fluid picked up by Clean Harbors hazmat clean up company. The road remained closed until late into the evening on 6/22/2022.

6/24/2022 Structure fire first alarm basement fire in Wolfeboro @ 228 Sewall Road @ 9:59 am we responded with 6 personnel Engine 2 and Engine 4 and Car 1.

6/25/2022 @ 3:38 pm Building fire at 18 Center Street in Wolfeboro units cancelled and diverted to a boat accident with a water skier in Wolfeboro at Back Bay. Car 1 and Boat 2 with a crew were also cancelled enroute.

6/27/2022 Received a Call from Cathy Pounder Administrative Assistant regarding a parking complaint at the parking area for the Mirror Lake Fire station over the weekend. The parking lot was full of cars and trucks that blocked the neighbors access road. No one asked permission to use the parking lot and no permission was given for any parking.

6/20/2022 The air boat went to Melvin Marina in Ossipee for welding for cracks in the airboat at a cost of \$1,232.00

The department had been paying a two-hour minimum call in for its call members between the hours of 10pm-07:30 am. We are looking at changing the 2-hour minimum to Monday through Friday from 5pm-8am. During the weekend of Saturday and Sunday this would be for any time a call is received, because there is no one in station on the weekend. A survey of neighboring departments shows that they have been paying at least a 2-hour minimum for all calls. With the

raise in gas prices and vehicle repairs a 2-hour minimum may help the members to cover the cost of responding on calls. I do not see it helping to bring in more members to calls but help the members that are currently leaving their full-time jobs to cover emergency calls when needed.

6/22/22 I met with State Rep Brodie Deshaies. Mr. Deshaies wanted to meet as he is our new Representative for Wolfeboro/Tuftonboro we discussed issues that the fire services are seeing with hiring and retention of staff. He is one of the only reps that has ever reached out and wanted to meet with me as Chief of the department in 22 years. Representative John MacDonald was scheduled to meet that same day but had a family emergency.
