

Cemetery Trustees  
Draft Meeting Minutes  
March 5, 2019

Meeting opened at 6:30 PM

Present were Chairman Susan Weeks, Charlotte Allen, and Guy Pike

The minutes of 5 Feb 2019 were approved with two spelling corrections. 3-0

A letter was received from Dirty Rock Stone Cleaners of Marshfield Vt. outlining services that they provide for cleaning stones and training others in cleaning and repair.

An e-mail containing a contract from Tru-Green was received. Since the Trustees had decided to discontinue the services of Tru Green last year a response reiterating that decision will be sent.

An application for the burial of Mr. Chase David Kepner was received. The Kepners own the rights to plot CR 1-3. The Sexton will be advised to arrange said burial in the Spring.

The paperwork is in progress for a cremation plot for the Reverends Mr. and Mrs. Ketcham. The Ketchams had been interim Ministers at the Melvin Church at many times in past years.

Guy Pike expressed his pleasure in working with the Trustees over the past three years and assured them that he would be available, to help if and when needed. The Trustees responded with a heartfelt thank you and wished him success with his future endeavors.

The next meeting will be April 2 at 5:30 PM

As always, public attendance/input is encouraged.

The meeting adjourned at 6:47 PM
