Tuftonboro Town Offices 4:00 PM

November 9, 2021

Attendance – Brandon Woody (Chairman), Jeff Reisner, Joyce Lake, Guy Pike (Selectmen's , Representative) Dennis Zilembo (Director)

The first order of business was to appoint Lloyd Wood as an alternate to the commission. This would allow for a stand in should someone not be able to attend. Moved by Jeff and seconded by Eileen. Approved.

Minutes of 10/7/2021 were reviewed and accepted.

Discussion followed about proposed Bike Path. It appears Wolfeboro has raised all the money needed for Sewall Woods path. Joyce and husband walked both and stated that our proposal looks good.

On budget review and per selectmen, move the dollars for Beach equipment upgrades to a Warrant article. It is agreed that a warrant article will be written after bids are secured. Lloyd proposed a professional be used to get the dock and equipment up to date. The budget was reduced by the amount necessary for this.

All else OK on proposed budget.
