Previous Minutes

Approved as read

Old Business

1. Discussed where we are with interest in gardener management of the CG. Will meet with Greg Herr in the future to see what ideas he has.
2. Garden Theft – Discussed what signs might be put up around the CG to discourage theft. Want them large enough to be noticed, but not so large as to distract from the garden. Geoff will make some inquiries about having signs made.
3. Deer Fence – Judith Morrison presented information on erecting a deer fence around the CG. The problem is primarily deer and turkey. Agreed mesh fencing not feasible. Adam will include possible remedies as part of the IPM plan.
4. 2022 Budget – The 2022 budget was approved and will be sent to Diane.

New Business

1. Barn Survey – Discussed the possibility of making a survey of barns in town using the state survey form.
2. Approved the purchase of wildflower seed for the wildflower area adjacent to the CG
