Budget

\$1600 for 2020-2021

Labor Day we should start thinking of the next budget.
to be used for plants, posts, tools and garden prep

Community Garden

Tallied and answered question posed by gardeners

Do we need volunteers to help with: composting, trash - carry in carry out, rules to be finished at our next meeting.

the JORA has been emptied; LRPC Paige is willing to help us. Merrovista was and still interested in a composting set-up

Susan Poirier - Wolfeboro - enthusiastic about "NO TILL" gardening plots; if this is adopted then gardeners would receive the same plot year after year. This would cut down on our plowing needs and would result in somewhat raised beds. Interesting.

Chipper purchase - Tractor Supply - here soon.

Lauren Strauch - NRSS

Film to watch: Family Farm

Meeting Adjourned 4:45

Next Meeting Jan. 7 2020 has been rescheduled to Feb. 5, 2020.

Respectively submitted

Additionally: I did watch "Small Farm Big Farm - It was informative, entertaining, and I recommend it. (Joan)
