**AGENDA**

**Approval of October 25, 2018 Meeting Minutes**

**Review MJB Special Revenue Account Sheet since June 5, 2018**

**Old Business:**

DASH unit update – Status:

- (a.) Ken purchased a “diver down flag.”
- (b.) Inventory last season – need a paddle, rear deck wood panel to be replaced, hose to clean deck, (Note: Dan Duffy said he would check to see if he had any paddles or a short hose in the October meeting, Ken and Marc Martin said they would work on replacing the wood on the rear deck.)
- (c.) Ken has the 2019 NH boat registration stickers for the DASH.

**New Business:**

- (a.) Considering previous discussions on the 2019 season coming up, no arrangements have been made with The Lawson Group to test for CO and CO2 from the DASH air compressor.
- (b.) Need to tell Lanes End Marina folks not to de-winterize the DASH when normally done in May.
- (c.) Holding off on testing air hose (only one used for 5 days in 2018) with Dive Winnepesaukee in Wolfeboro.
- (d.) Review of meeting 1/17/2019 with Squam Lakes Assoc., DES, Lake Winnepesaukee Assoc., various town entities located on Lake Winnepesaukee on diver availability to harvest milfoil with DASH type units.
