Town of Wolfeboro agreement- Discussion followed to not continue to fund Wolfeboro Recreation through the assessment we pay to them, It is currently based on the population of the town and NOT per capita use. The assessment was modified in 2020 to reflect COVID-19 related Non activity but the Commission feels the +/- \$16000 is not reflective of our usage. Motion made- Eileen Gil, seconded by Jeff Reisner to withdraw from agreement. Motion was carried. By all members. The Selectmen will be notified. We will work on a mechanism to offset the price differential at a later meeting.

The report of the Director was reviewed and highlighted several upcoming events.
